【May 10: Otaru Tour by Car for 2 guests from the US】

小樽港→天狗山→青山別邸→小樽運河（ラーメン屋食・浅草橋・浮世絵美術館）→堺町→小樽港

（お客様レビュー） We had a wonderful day with Taki! He took us to Mt. Tengu where we saw cherry trees still in blossom. Then we explored the grounds (and the gift shop!) of Aoyama Villa—beautiful! Taki guided us to a little ramen restaurant for a delicious noodle lunch. Then we went to the Ukiyo-e Museum where we made our own copy of Hokosai's Wave wood block print. After a fun visit to a sake brewery for tasting and a search on Otaru's shopping street for a t-shirt for our grandson (we also bought chocolate), we were ready to head back to our ship. Taki drove us right to the door of the cruise terminal. Taki was very flexible and attentive to our wishes. We had a great day and highly recommend Taki as a tour guide! (Rating: ★★★★★)

（タキ SATO コメント） Thank you very much for a nice comment and rating. We managed to visit as many spots in Otaru as possible as long as time permitting. It was sunny and comfortable weather, and your requests were very clear, all of which made our tour great. You might have been a little bit tired after a big day, but now you might be relaxed on the ship and look forward to what you would like to do after returning to hometown. Hokkaido is worth visiting again and again. Please come again.

【April 16: Hakodate Tour by Car for 5 guests from the US】

函館港→五稜郭タワー・五稜郭公園→函館朝市→函館山展望台→金森倉庫群→函館駅→函館港

（お客様レビュー） Absolutely great time with Taki-san! We were three generations, grandma, parents and two boys aged 12 and 9! Taki was SO ACCOMODATING! He gave us so much history, local culture and food (which is very important to us) knowledge. Taki-san listened to our interests and went out of his way to make sure we had the experiences, including a ramen shop our 9 year HAD to experience! He was the most gracious, kind and knowledgeable guide. Would highly recommend! Thank you Taki-san, we all had a fantastic time! (Rating: ★★★★★)

（タキ SATO コメント） Thank you very much for your great comment. I am very happy to know you are satisfied. I wish you would come a week later, because cherry blossoms in Goryokaku would be in full bloom. Please come again to Hakodate, Hokkaido. Hokkaido is worth visiting again and again.

【March 31: Sapporo Tour by Car for 2 guests from the US】

三井ガーデンホテル→モエレ沼公園→サッポロビール博物館→「海へ」アスティ店→ホテル

（お客様レビュー） Thank you Takeki-san. We enjoyed the trip of the Moerenuma Park and the Sapporo Brewery Museum. I really appreciate the extra effort to locate a post office for me. I was wondering if it would have been possible to drive by Odori Park, since it's a famous landmark of Sapporo, specially related to the Snow-Festival. (Rating: ★★★★★)

（タキ SATO コメント） Thank you very much for your nice rating and comment. In Japan, many post offices are here and there, but many of them will be closed by 4 pm, so we were lucky we had one on the way. I wish we could have driven our car along/through Sapporo Odori Park. If even one of the destinations had been in the southern part of downtown, it would have been possible.

【February 11: Sapporo/Otaru Tour by Car for 3 guests from the US】

三井ガーデンホテル→小樽（堺町・運河・田中酒造）→札幌（場外市場・大倉山）→ホテル

（お客様レビュー） The Sapporo and Otaru tour was exceptionally good. Mr. Takeki arrived promptly at our Hotel. Amazing tour guide and he spoke good English. Knowledgeable about Sapporo and Otaru. Enjoyed all of the sighting attractions; highlight was the Olympic Ski Jump and shopping in Otaru. I had emailed that we were interested in eating Hokkaido crab and he took us to a fresh seafood vendor, we picked our crab and there is also a Restaurant that cooked the crab to order. Delicious hairy crab and sashimi for lunch! Our seafood lunch was awesome. Mr. Takeki is an amazing driver in the snow conditions! It was an extraordinary snow year in Sapporo. We ended our tour with a drive by of Odori Park that held the Sapporo Snow Festival. We visited the Snow Festival later in the evening on our own. I would highly recommend Mr. Takeki and the Sapporo/Otaru tour. (Rating: ★★★★★)
